## Recent Navy Presentations

### Navy Provides Update on Parcel E-2 at September Community Meeting

On Wednesday, September 6, 2017, the Navy hosted a **community meeting open house** from 5:30-7:30 p.m. Almost 20 community members met with Navy and regulatory agency members at the open house, allowing open two-way communication for community members to ask questions and receive information about the environmental cleanup at Parcel E-2. Five posters were staffed with subject matter experts, and a rolling presentation on the topic ran throughout the meeting.

Meeting materials are available on the **meeting material page** of the Navy's website at [www.bracpmo.navy.mil/hpns](http://www.bracpmo.navy.mil/hpns). To receive meeting material by email or to ask questions about this event, send an email to [info@sfnhps.com](mailto:info@sfnhps.com) or call the HPNS Info Line at (415) 295-4742.

---

### Navy Presents Update on Ongoing Radiological Data Review to HPS CAC

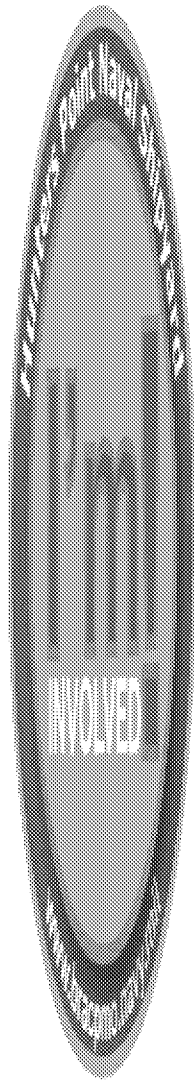

The Navy was invited by the Hunters Point Shipyard Citizen's Advisory Committee (HPS CAC) to present an update on the ongoing radiological data evaluation at HPNS at the HPS CAC's regular meeting on Monday, September 11, 2017 from 6:00 p.m. to 9:00 p.m. Following the presentation, the Navy listened to community member comments and concerns, and answered questions in a public meeting format. The meeting was well-attended by more than 35 community members, HPS CAC Board members and staff, Navy and regulatory agency members.

Dr. Kathryn Higley, the Navy's Radiological Community Technical Advisor, was present and answered several questions posed by the attendees. In addition, Mr. James Bryant, a local community advocate, was introduced by the Navy as the newest member to the Navy's outreach team. James will serve as the Navy's Radiological Community Liaison, providing additional access for community members to share questions and concerns, as well as receive information on the Navy's ongoing radiological evaluation. For more information on both liaison's roles and availability, please see the **Radiological Program Update** section of this newsletter.

Navy presentation materials and the current radiological evaluation update fact sheet are available on the Radiological Cleanup Pages of the Navy's website at [www.bracpmo.navy.mil/hpnsrc](http://www.bracpmo.navy.mil/hpnsrc).

## Radiological Program Update

### Radiological Data Evaluation Fact Sheet #2

The Navy has prepared an update fact sheet describing the extensive radiological data review that is currently underway at HPNS. This evaluation is the result of falsified data provided by one Navy

contractor in 2012, who is no longer working on HPNS. The current update fact sheet provides background on the issue, the extent of the data review and analysis, and upcoming next steps in the process. In addition, information on how the Navy is protecting the public during the cleanup process is provided. The Radiological Data Review Update #2 fact sheet may be found on the Radiological Cleanup Pages of the Navy's website at [www.bracpmo.navy.mil/hpnsrc](http://www.bracpmo.navy.mil/hpnsrc).

To receive a copy of this fact sheet by email, please send a request to [info@sflhpns.com](mailto:info@sflhpns.com) or leave a message on the HPNS Info Line at (415) 295-4742. Earlier documents and other program information may be found using the resources described in the **Other Information** section at the end of this newsletter.

#### **Navy Presentation on Radiological Review Available on Navy Website**

Please visit the Navy's website at [www.bracpmo.navy.mil/hpnsrc](http://www.bracpmo.navy.mil/hpnsrc) to view the Navy's presentation to attendees at the HPS CAC meeting on September 11th. For additional questions or to share additional concerns, send an email to [info@sflhpns.com](mailto:info@sflhpns.com) or leave a message on the HPNS Info Line at (415) 295-4742.

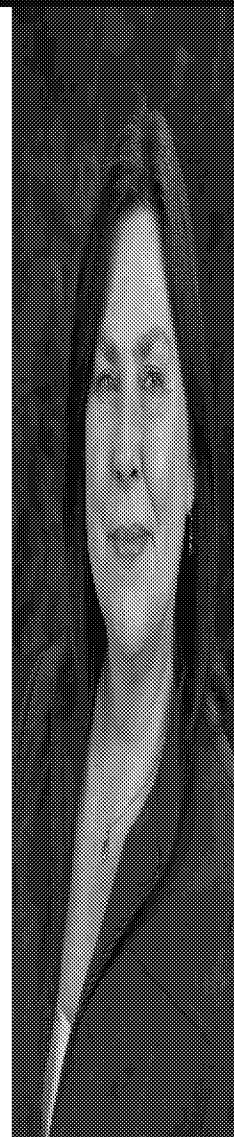

### Ask an Expert Session Held in September

In her role as a **Radiological Community Technical Advisor** for the greater Hunters Point community, Dr. Higley was available to meet with community members on September 11th to answer questions and share information about radiological health and safety.

### Ask an Expert at Health Fair on October 28th

Dr. Higley will be available to answer your radiological health and safety questions at the Health and Harvest Fair on Saturday, October 28th. To learn more, see the **Upcoming Events and Information** section of this newsletter.

If you are unable to meet with her in person, Dr. Higley welcomes your questions by phone at (541) 737-7063 or by email at [Kathryn.Higley@oregonstate.edu](mailto:Kathryn.Higley@oregonstate.edu). *Look for announcements with upcoming dates and times to meet with Dr. Higley in the Bayview Hunters Point community!*

*Dr. Kathryn Higley,  
Community Technical  
Liaison from Oregon  
State University*

*James Bryant, Navy  
Community Liaison for  
Radiological Program  
Outreach*

## Community Liaison Available for Program Information

Mr. James Bryant is a local Bayview resident with a long history in community outreach. He is available as a **Community Liaison** resource to the greater HPNS community on behalf of the Navy to gather community member questions and share information on the Navy's cleanup at the shipyard.

He is available to community members by phone at (415) 970-9051 and by email at [community@ssthpn.com](mailto:community@ssthpn.com). In addition, Mr. Bryant will have Navy program materials at local community group meetings and events, where he will be able to gather community questions and concerns.

## Community Liaison Office Hours

To enhance the availability of Navy information and resources to the community, Mr. Bryant will hold office hours on the **first Tuesday of every month from 2:00 p.m. to 4:00 p.m.** at his office: JBR Partners, 1333 Evans Avenue, San Francisco 94124. You may drop in anytime during the liaison office hours to pick up information, ask questions or leave comments on the Navy's cleanup at HPNS. If you are unable to visit with him during standard office hours, you may pick up printed materials at his office or call him at (415) 970-9051 to schedule a time to meet.

**Click here to visit the  
Navy's Radiological  
Cleanup Page for Hunters  
Point Naval Shipyard.**

---

## Upcoming Events and Information

### Artists Open Studios, Saturday, October 14th

We welcome you to visit the Navy's informational table from noon-4:00 p.m. at the Hunters Point Shipyard Artists Open Studios on Saturday, October 14th. Our booth will be in HPNS Building 101.

We hope that you will stop by to pick up some information on the Navy's cleanup at HPNS, ask questions, and join our mailing list! For more information on the Fall Open Studios event, visit [www.shipyardartists.com](http://www.shipyardartists.com).

### **Health and Harvest Fair, Saturday October 28th**

The Navy will host an informational booth at the **10th Annual Health and Harvest Fair from 10:00 a.m. - 2:00 p.m. on Saturday, October 28th** at the Southeast Facilities Commission at 1800 Oakdale Avenue. Dr. Kathryn Higley will be there to answer your questions about radiological health and safety, and Mr. James Bryant will have informational materials available on the Navy's cleanup at HPNS. We look forward to seeing you at the event! For more information on the Health Fair, visit [www.sfgov.org/sefacility/secfc-health-fair](http://www.sfgov.org/sefacility/secfc-health-fair).

## Third Quarter 2017 Cleanup Progress Update Available

The Navy's most recent quarterly update is available on the Navy's website. This edition includes cleanup achievements for July-September 2017 and upcoming activities for October-December 2017. To receive a copy of this document by email, send a request to [info@sfhpns.com](mailto:info@sfhpns.com).

## December Navy Community Meeting

Join the Navy at the OCII Community Room at 451 Galvez Avenue (next to the Storehouse) on Tuesday, **December 5th from 5:30-7:00 pm** to learn more about cleanup activities and upcoming plans for Parcel C at HPNS. Look for meeting announcements in future editions of **Around the Shipyard!**

## About This Newsletter

*Around the Shipyard* is a periodic update of Navy cleanup activities, program outreach and shipyard news at Hunters Point Naval Shipyard (HPNS) for members of the HPNS community. This newsletter is an extension of the Navy's outreach for the environmental cleanup program as outlined in the Navy's HPNS Community Involvement Plan. The purpose is to enhance the availability of program information through the use of electronic resources.
